

NYO Inspire 2022- Application Information

We are excited to announce that applications for NYO Inspire 2022 are now open and we would like to invite all of you to apply.

This is your chance to take your playing to the next level and get that breakthrough orchestral experience. At the heart of the programme is the power of peer inspiration and learning – we believe you can gain so much from openness, generosity and sharing with fellow teenage musicians.

NYO Inspire aims to accelerate learning in and through orchestral music for those musicians traditionally underrepresented in the orchestral music: musicians in state education, and musicians who are Black, Asian or ethnically diverse, playing at Grade 6+ standard.

Engaging with NYO Inspire brings you into the NYO community of like minded musicians, sharing music, ideas and spirit. You be invited to specific Inspire projects and invited to events for the whole community.

Who is this information sheet for?

- Musicians who are aged 13 to 18 on 1 September 2021 and...

- And... you are not studying full-time at a college of music, or on a joint course with a music college.

Projects

NYO Inspire 2022 will consist of a variety of digital and 'in person' activity to be held across the country when we are able to do so. All activity will enable you to work alongside NYO musicians and NYO tutors, focusing on instrumental learning, orchestral repertoire and much more! Every musician will experience a bespoke musical journey through the programme enabling you to develop and reach your full potential at whatever level. Some activity may include (but not limited to):

NYO Inspire Digital are online residencies that offer you the chance to meet peers from across the country, learn from one another and make music together. This activity may be used in preparation for 'in person' projects. In addition, NYO Inspire Musicians will connect regularly with NYO Musicians through webinars, online creative projects and occasionally be invited to take part in NYO Digital activities.

NYO Inspire Days are immersive one-day events of orchestral workshops and rehearsals and offer you a chance to play as a symphonic orchestra.

Parent / Guardians

The Arts Council and other funders will not be given any personal information. This information will not be used for any other purpose in NYO and will not be passed on to any other third party.

Deadline information

Applications close on **Sunday 11th July at 5pm**. You must have completed the Submit My Applications process on all the applications by this time.

How much will it cost?

NYO Inspire activity is for teenage musicians who would benefit most from the opportunity, irrespective of individual means, which is why we fund places as a charity.

Can I apply for multiple sections?

If you would like to be considered on multiple instruments, you are able to let us know on Step 1 of the application. During project allocation we will assign people to their primary instrument first,

and then revert to secondary instruments if there is specific availability to fill. Therefore, please put the instrument you are most competent on and would like to be initially considered on as your 'Primary Instrument' and the other as your 'Secondary Instrument'.

What's next?

Once applications are closed, we will start the process of inviting eligible musicians to an online programme launch on **1st September 2021** where we will share further plans for the year.
